

Hotel

Spa & Thalassotherapy center at Masseria San Domenico

HITACHI

A 14TH CENTURY HISTORICAL MONUMENT CONVERTED IN A 5-STAR RESORT

Masseria San Domenico offers boutique-style intimacy bound with first class facilities, such as outdoor free-form swimming pool, beach access, two tennis courts, a modern gym and a challenging 18-hole golf course.

FOSSILE-FUEL BOILER AND OUTDATED CHLLER REPLACED WITH VRF SYSTEM

Energy-efficient heat recovery SET FREE SIGMA system replaces previous cooling and heating equipment at the spa & thalassotherapy center.

FLEXIBLE CONTROLS, CUSTOMIZED COMFORT

Flexible individual room temperature controls, centralized CS-Net Web, as well as Modbus integration to BMS enable the staff and management to ensure the perfect temperature to guests' needs.

TOTAL CAPACITY: 32 HP / 90 Kw
